

BROOKLYN ONE THEATER

Play Submission/Guidelines

BrooklynONEtheater is currently searching for new full length, original, experimental and contemporary plays. We are looking for works that are modern, edgy and in the style of popular current playwrights.

Plays submitted will be considered for our 2010 season for the B1/First program and for other reading series throughout the year. The B1/First specializes in rearing original plays in a workshop format allowing playwrights, actors, directors, etc. involved gain exposure and grow with the goal of expanding the production to larger run.

BrooklynONEtheater is committed to the development of new plays and the fostering of playwrights, emerging and established.

Please be sure to include the following with your submission:

1. A brief synopsis of your play including its production and development history.
2. Character breakdown (i.e. number of men, number of women, ages, etc)
3. Technical requirements (anything out of the ordinary).
4. Current contact information and bio.

Please send your submissions to: Contact@brooklynONE.org

Electronic Submissions are preferred.

If you can not submit electronically, please contact the above e-mail for postal mail instructions.

Thank you for your interest in BrooklynONEtheater. BrooklynONEtheater was created as a haven for new works and artists, we hope to work together soon.
